**Subject:** Meet with Weyerhaeuser

FYI, Meghan at Weyerhaeuser requested a meeting with us regarding your request for data for the Deschutes TMDL. We're meeting this afternoon. They stated they wanted to talk history, but I'm also guessing they want to talk future. I'll be sure they communicate anything about your Deschutes TMDL directly to you, not through us. We'll also encourage them to be helpful in your data request.
